

# Reidville Town Center

## Town Center Report

March 13, 2023

Monthly Update:

- Remaining School Building Demo:
  - Demolition will begin in the next few weeks.
- Gray Engineering is continuing to work on final Town Center design.
- New site plan submitted to Reidville Presbyterian for review and comment.
- Continuing to construct subdivision and Main Street Extension across our property.
- Phase 1 paving for residential area complete.
- Construction of model homes is underway.
- Fine grading at the two main subdivision entrances is underway. Sidewalks in these areas will be poured later this week or next depending upon weather, and then landscaping will follow very soon after.
- Ryan Homes is planning to have an open house for the new model homes on April 7 – 9.

Thank you for your continued support.
