

Reidville Town Center

Town Center Report

April 6, 2023

Monthly Update:

- Remaining School Building Demo:
 - Demolition will begin in the next few weeks.
- Gray Engineering is continuing to work on final Town Center design.
- New site plan submitted to Reidville Presbyterian for review and comment.
- Continuing to construct subdivision and Main Street Extension across our property.
- Phase 1 paving for residential area complete.
- Dry utilities are being installed.
- Construction of model homes is underway.
- Sidewalks at main entrance on Reidville Road has been paved; landscaping will follow very soon.
- Ryan Homes has moved the open house for the new model homes to April 14 – 16.

Thank you for your continued support.
