

Reidville Town Center

Town Center Report

January 9, 2023

Monthly Update:

- Remaining School Building Demo:
 - Demolition to begin in the next few weeks.
- Gray Engineering is continuing to work on final Town Center design.
- New site plan submitted to Reidville Presbyterian for review and comment.
- Continuing to construct subdivision and Main Street Extension across our property.
- Phase 1 paving for residential area complete.
- Individual lot preparation for residential housing construction is underway.

Thank you for your continued support.
